NOTE FOR: DDCI

Bobby:

Since receiving the call from Ken deGraffenried late on 9 March (which I reported to you through Doug), I've heard nothing more re NSC staff action on your letter to Judge Clark concerning NSSD-2/82. I assume we are awaiting their further instructions or concurrence.

I had not coordinated the letter prior to your signature, and I have not sent copies to the Community pending NSC action. At the appropriate time, I propose we make distribution of the letter with attachments plus NSC concurrence to: Defense, Justice, Chairman, JCS, State, NSC Staff, FBI, DIA, NSA, and CIA.

If we have NSC concurrence, it would be desirable to include in our distribution letter a schedule for the initial SIG-I and IG/CI meetings.

on timing.
Upon receipt of your guidance, I will coordinate the meeting schedule with [] and prepare the letter for your signature.
